ANUS CLENCHING ADVENTURE WITH
HAROLD HEDD

Yes folks, in the early 1970s —over a decade ago— Rand Holmes introduced **HAROLD HEDD** to a national audience with with the oversize black & white **HAROLD HEDD** No. 1. The adventures of Vancouver's favorite unsavory hippie was originally printed in *The Georgia Straight*. These collected adventures contain fables, political commentary, comic strip parodies and laughs, laughs, laughs. Follow Harold and Elmo as they outwit the establishment! Glory in nostalgia as they fight cruel landlords and avoid pot busts! Only \$2.50 + 50 cents postage.

In 1973, a second *Harold Hedd* adventure was written and drawn by Rand Holmes. Follow Harold and Elmo as they try to ship a planeload of marijuana from Mexico to Canada. This truly classic comic book features Mexican bandits, beautiful women, a World War II British Lancaster plane, 3,000 pounds of pot and the U.S. Air Force. Did we mention laughs? All for just \$1.50 + 50 cents postage. Both of these for just \$4.50 postpaid!

The pair has been collaborating for over thirty years on such classic comic creations as the original *Mad*, *Humbug*, *Trump*, *Help!* and *Little Annie Fanny*.
